The Project will encompass the construction of a new four-lane roadway, tie-ins to the existing roads, and roadway reconstruction where the proposed North Hancock Road alignment conflicts with existing side streets. The roadway is to be a four-lane divided urban section with four (4) twelve (12)-foot lanes, a twenty-two (22)-foot unpaved median, four (4)-foot bike lanes, curb and gutter, sod strips, and either a sidewalk or multi-use path. Construction will involve milling and resurfacing, full depth construction, and full depth widening.

2.3 The CONSULTANT agrees and acknowledges that time is of the essence in completing the Scope of Services identified herein. All services shall be completed no later than four hundred (400) days from the full execution of this Agreement, unless a written change order has been duly executed by both parties. Continuation of the performance period beyond the initial period is a COUNTY prerogative, and not a right of the CONSULTANT. This prerogative may only be exercised when such continuation is clearly in the best interest of the COUNTY. This Agreement shall be effective upon the date of execution by the COUNTY, shall remain in effect until such time as the services acquired in conjunction with this Agreement have been completed, delivered and accepted by the COUNTY, and will then remain in effect until completion of the expressed and/or implied warranty periods, if any.

2.4 The CONSULTANT shall coordinate and work with any other consultants and/or contractors retained by the COUNTY. CONSULTANT acknowledges that nothing herein shall be deemed to preclude the COUNTY from retaining the services of other persons or entities undertaking the same or similar services as those undertaken by the CONSULTANT or from independently developing or acquiring materials or programs that are similar to, or competitive with, the services provided under this Agreement.

2.5 In addition to any other termination provisions provided herein, should the CONSULTANT fail to complete the work within the performance period cited above and any optional renewal period exercised by the COUNTY, it is hereby agreed and understood that the COUNTY reserves the authority to cancel this Agreement with the CONSULTANT and to secure the services of another consultant to complete the work. If COUNTY exercises this authority, COUNTY shall be responsible for reimbursing the CONSULTANT for work which was completed and found acceptable in accordance with the contract specifications. Additionally, the COUNTY may, at its option, demand payment from CONSULTANT, through an invoice or credit memo, for any additional costs over and beyond the original contract price which were incurred by the COUNTY as a result of having to secure the services of another consultant. CONSULTANT shall honor any such invoices or credit memos submitted to the CONSULTANT by the COUNTY under these circumstances.

2.6 In addition to any other termination provisions provided herein, the COUNTY reserves the right to terminate the Agreement if CONSULTANT materially fails to fulfill any of its obligations under this Agreement, if the service does not conform to the specifications, or if the CONSULTANT materially fails to comply with any federal, state or local statutes, rules and regulations applicable to this Agreement, including health and safety rules and regulations.

A. If any service performed pursuant to this Agreement is found to be defective or does not conform to the specifications contained herein, the COUNTY reserves the right to require corrective action as appropriate, which may include, but is not limited to, ordering re-performance of service or the termination of the Agreement for default. The COUNTY will not be responsible for paying for any service that does not conform to the Agreement specifications.

B. In the event of termination under this section, the COUNTY shall provide thirty (30) calendar days written notice of its intent to terminate, and shall provide CONSULTANT an opportunity to consult with the COUNTY regarding the reason(s) for termination. The COUNTY may take any other remedies that may be legally available.

No such consent shall be construed as making the COUNTY a party to the assignment or subjecting the COUNTY to liability of any kind to any assignee. No assignment shall under any circumstances relieve the CONSULTANT of liability and obligations under this Agreement and all transactions with the COUNTY must be through the CONSULTANT. Additionally, unless otherwise stipulated herein, the CONSULTANT shall notify and obtain prior written consent from the COUNTY prior to being acquired or subject to a hostile takeover. The CONSULTANT'S sole remedy, if any, against the COUNTY shall be the right to seek an extension to the contract time. However, this provision shall not preclude recovery of damages by the CONSULTANT for hindrances or delays due solely to fraud, bad faith or active interference on the part of the COUNTY. Additionally, CONSULTANT agrees to include the requirements of this provision in all contracts with subcontractors and material suppliers in connection with the work performed hereunder.

If an audit inspection or examination pursuant to this section discloses overpricing or overcharges of any nature by the CONSULTANT to the COUNTY in excess of one percent (1%) of the total contract billings, in addition to making adjustments for the overcharges, the reasonable actual cost of the COUNTY'S audit shall be reimbursed to the COUNTY by the CONSULTANT. Any adjustments and/or payments which must be made as a result of any such audit or inspection of the CONSULTANT'S invoices and/or records shall be made within a reasonable amount of time, but in no event shall the time exceed ninety (90) days, from presentation of the COUNTY'S audit findings to the CONSULTANT.
